Dear Sirs,

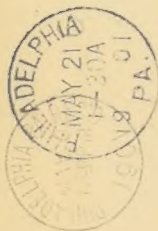

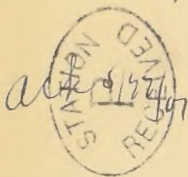

I am sending  
you this morning by express, a  
box of coins & medals that I wish  
you to dispose of for me by auction.  
You will please make up the lots  
as you think best, so as to realize  
for me the largest amt. I would  
like to get for them as much as  
possible, as they cost me quite a  
sum, (more perhaps than they were worth)  
there are 251 pieces, some silver,  
Yours sincerely

Dear Sirs

Yours of the 29 recd. this morning, in answer to your queries will say that I am still collecting & do want to receive your catalogues! The coins I sent you to be sold were only the duplicates of what I had. I still keep my collection & want to add to it in a quiet way. I asked for some 1799 & 1804 cents on approval. But as you have sent me a check for balance never mind sending any & I will try & pick them up at auction.

Yours sincerely

Dear Sirs

There must be a mistake about that balance of 4.37 in Aug 1902 as I have your receipted bill for that sale also my check which called for \$1.15 to balance. You have only credited me with .60 for lot # 605 + the price catalogue says sold for \$1.60 according to my figures you still owe me \$6.51 to balance as follows

lot #	583	=	1.50	not credited
"	"	601	=	.35
"	"	605	=	1.00
				mistake
			<u>2.85</u>	
less 25% com		=	<u>.71</u>	
			2.14	
charge by mistake		=	<u>4.37</u>	
			<u>\$ 6.51</u>

Dear Sirs

It seems very strange to me that you did not send me a bill or statement that I owed you 4.37 for most two years & now bring it up, why didn't you let me know of it before, I don't like the look of it.

I send you receipted bill as asked for you sold some coins May 1-2<sup>nd</sup> 1902 & sent me check June 27 for past & another check July 22 1902 for some more.

I only bought 2 lots in the Aug. sale of 1902.

My priced cataloger says #605 sold for \$1.60 & considering that it was the finest specimen in the whole lot I don't think you did very well with it, but I understand that that is my risk. I have sold before & understand,

In all my buying at auction +  
also selling, for the past 25 years  
I feel worse about this than any  
other thing, + to think it has been  
running since May 1902, I  
try to pay my bills at once  
+ don't even let them run  
a month
